

ACADEMY OF PHARMACEUTICAL SCIENCES
BEST PUBLICATION AWARD
SUBMISSION CRITERIA

- The competition is open to Academy members only. Include membership number with submission.
- There are 4 sub-categories (pharmaceutical chemistry, pharmaceuticals, pharmacology and pharmacy practice). A prize will be awarded in a category if, in the opinion of the judges, a suitable submission(s) has been received.
- The paper submitted must have been published between 01 January 2022 and 31 December 2022.
- Only original research articles may be submitted.
- The participant/applicant must be a major contributor to the paper. The name of the participant must be clearly indicated – failure to do so will mean that the paper will not be assessed.
- The participant must clearly indicate in which category the paper is to be judged – failure to do so will mean that the paper will not be assessed.
- Motivate as to why it should be in the category chosen – not more than 200 words.
- Only one entry is allowed per participant in each of the four categories.
- A pdf file of the article must be emailed.
- The decision of the judges is final.

Deadline for submission is 30 June 2023. Submissions to be emailed to:
